EXOTIC VOYAGE

Encapsulating the allure of travel, these collections capture the magic and mystery of faraway lands while imbuing them with a fresh perspective. Sahco's Palais Marrakech collection – locally available at Cetec – references the rich hues and vivid patterns of a Moroccan souk. The luxurious fabrics are made from Trevira CS, a high-tech fibre that makes colours appear bolder and brighter. Those searching for Oriental-inspired pieces must visit Alfield Gallery; their Modern Ming collection features traditional Chinese furniture given a sleek, contemporary twist. Recently exhibited at Maison & Objet Paris, the Odyssey collection by Susanna Valerio Casa juxtaposes various motifs – animal print, metallic detailing and Chinoiserie touches – resulting in a look that's totally chic. | 這些系列捕捉遠地的神秘魔法，並注入清新演繹方式，散發出旅遊魅力。Sahco的Palais Marrakech系列飾以摩洛哥露天市場的奪目顏色和圖紋，於Cetec有售，這些豪華布藝以Trevira CS製作，如此高科技纖維能令色彩愈顯矚目鮮艷。正物色滿有東方魅力作品的你定要到臨Alfield Gallery，他們的Modern Ming系列在傳統中式傢具上混入俐落當代的設計。而最近在巴黎Maison & Objet展出的Odyssey系列則出自Susanna Valerio Casa之手，並混合動物圖紋、金屬細節和中國風元素，同時不失時尚。 cetec.com.hk; alfield.com.hk; susannavalericocasa.com
